Wesleyan College

MACON, GEORGIA

Oldest Gollege for Women in America. Grade "A" of Educational Commission. The Recognized Standard of Excellence Throughout the South. Undisputed Ownership of the Church.

The College occupies an eminence in the best residential district of Macon—the second city in the Union in health record. Buildings of brick and stone, with all modern accessories. Fifty thousand recently spent in improvements. Thirty-nine officers and teachers. Fourteen in the Conservatory of Music. Schools of Art, Expression and Physical Culture.

Rates lower than those of any college of the same high grade in America. Under control of the North and South Georgia and Florida Conferences, and is not conducted for individual profit. Makes large concessions to daughters of ministers hving by the ministry. Special attention given the comfort and happiness of the home life by the president, who lives in the college.

Catalogues or any information in detail will be furnished on application to

MEMOIRS.

GEORGE J. KENELLY.

George J. Kennelly was born in Macon, Ga., Nov. 22, 1860, and died in Jacksonville, Florida, June 14, 1909, ending thus a faithful and successful ministry of twenty-four years in the Florida Conference.

He was converted at the age of fifteen years; licensed to preach in 1884; admitted on trial into the Conference January, 1885; ordained deacon by Bishop Hendrix, December, 1886; and elder by Bishop Galloway, January, 1889. On November 15th, 1888 he was married to Miss Ida L. Pyles, whom, with three dear boys he leaves to the sympathy and care of his brethren.

Brother Kenelly served the Church in its humble fields of labor; but served it faithfully and effectively. He was a diligent pastor, an earnest, clear and helpful preacher, a conscientious administrator of the affairs of the Church, and a man of solid piety. His modest demeanor, earnest life, loving spirit and loyal regard for the Church, wen the esteem and confidence of those among whom he labored. To his brethren he was cordial and kind; and ever showed in his treatment towards them and his judgment of them the spirit of true Christian love. In his own home he was patient, tender and loving. The charges under his care prospered spiritually and grew in material progress.

While of gentle and modest spirit, he was decided in his convictions of right, and firm in carrying them out. During his pastorate on the Hastings charge in 1907-8, his earnest and persistent efforts and prudent management, secured for our Church the settlement of our righteous claims to the St. Augustine Church property, for so many years in dispute.

Among the charges he served were Mandarin, McClenny, Cotton Plant, Palmetto, Seffner, Leon, Fort White and Hastings; and in all these he left a good name, a good record and a good influence.

We can scarcely estimate aright the value of such men and such lives, touching the people not in the large spheres and more prominent places, and where they are but little known. But they add no small strength to the building of our Zion. Nor do we perhaps know or recognize or appreciate their work. But the Lord looks with approval on their efforts; and crowns with blessing their labors who are "faithful in the few things." Though going forth with weeping, bearing precious seed, they

"doubtless shall come again with rejoicing bringing their sheaves with them."

H. E. PARTRIDGE.

REV. THOMAS JOSEPH PHILLIPS.

Rev. Thomas Joseph Phillips was born in Marlborough County, S. C., December 15, 1842, and died in Tampa, Fla., September 7, 1909. His father, Solomon Phillips, moved with his family to Madison County, Florida, in 1850, and died about three years later. Living on a farm, the fatherless boy learned to work, and attended the country schools as he had opportunity. At nineteen he joined the Confederate army, serving in the company of Captain Holloman, Fifth Florida Regiment. He took part in several of the great battles of the war. For two days he was in the memorable battle of Gettysburg. After the war he attended school for several years and taught school two years. He studied law and was admitted to the bar but never practiced.

In his boyhood he was converted at a campmeeting and joined the Methodist Church. At that early age he felt the call to preach, and after he was admitted to the mar, he decided to heed this call of God and enter the ministry. He was licensed to preach in 1872, and was admitted on trial into the Florida Conference in January, 1874.

For thirty-six years our brother served in the itinerant ministry in this Conference. He was faithful in all his work and his labors were blessed of the Lord in the conversion of souls and the edification of the Church. He loved the Methodist Church and the Florida Conference with all the ardor of his soul. Every interest of the Church was dear to him. During his ministry he served the following charges: 1874, Gadsden Circuit; 1875-76, Concord Circuit; 1878-79, Waldo Circuit; 1880-82; Columbia Circuit; 1883, Madison Circuit; 1884, Alafia Circuit; 1885, Plant City and Lakeland; 1886, Plant City; 1887-88, Newnansville Circuit; 1889, Bronson Circuit; 1890-92, Melrose Circuit; 1893-96, presiding elder of Live Oak District; 1897-98, Dade City; 1899, Apopka; 1900, Oviedo; 1901-2, Melrose; 1903, Brooksville; 1904, Brooksville and Webster; 1905-06, Punta Gorda; 1907, Gary and Port Tampa; 1908-09, Bushnell Circuit. For several years before his death he was a member of the Board of Trustees of Wesleyan Female College.

Brother Phillips was married in 1871, to Mrs. Jessie E. Shipp, of Madison county. His faithful wife and seven children are left to mourn their loss in his departure. His home life was a

happy one, and nowhere else was his Christian character more highly appreciated than in the blessed circle of his own family. It is a marvelous thing how well he succeeded in educating his children, with such a large family to support, and the salary usually small. The good judgment and close economy necessary for parents to accomplish such a noble purpose is indeed worthy of high commendation.

The life and labors of such a man as Brother T. J. Phillips is a rich heritage to his family, to the Church, and to the State in which he lived. The world is better because he has lived in it, and the influence of his godly life will never be forgotten by those who knew him. Now that he has gone from us, we pray that his bereaved family may have the sustaining grace of God in their sorrow. We shall miss our dear brother, but our hearts are comforted by the thought that he could truly say, "For to me to live is Christ, and to die is gain."

REPORTS.

REPORT OF BOARD OF MISSIONS.

To give the Gospel to every human being on the face of the earth, and bring this world to Christ is the great work of the Church. More and more is the membership of our church coming to a consciousness of this truth. Prayer and study is resulting in a larger intelligence about missions, a keener sense of obligation, larger liberality, and increased activity and zeal in this great work. The contributions to Foreign Missions for the year ending May last, sum up to \$831,991, the largest in our history. For this we are grateful to God. We heartily indorse the watchword of the Board at Nashville for the coming year, "One Million Dollars for Missions," and pledge our earnest efforts and co-operation toward raising that sum.

The Conference Board has under its jurisdiction, the missionary work in the territory embraced in the Conference, i. e., from the Chattahoochee River to the Everglades and Key West. In this region there are many sparsely settled country districts, small but growing towns, mining populations, that must have the preached word, but cannot without assistance from the Board. Besides this there is the city problem and the foreigner in our midst. Your Conference Board is earnestly endeavoring to supply the need, as best it can with the limited means at its disposal. We could very profitably use much more than we have. The year closing we have assessed 47 charges at a cost of \$7,050. This coming year we will help 50 Mission charges, and have appropriated for that purpose \$8,000. We would remind you that the assessment last year was \$8,250. There has been paid in on it \$7,457.00-\$793.00 short. This year the assessment has been placed at \$8,500.00. We trust that every dollar of it will be raised. We have raised this year for both foreign and domestic missions on the general collection, a little over \$12,000.00, or about 40 cents per member. We should do much better than this.

Your Board feeling deeply interested in the work among the foreign population in Tampa, and the urgent need for help by our faithful worker there, has appropriated the sum of \$500.00 for work among the Cubans of Ybor City and West Tampa. The need there is great, the vice and spiritual destitution alarming.

Our Conference Missionary Evangelist has done a faithful year's work. Notwithstanding a severe illness he has traveled

some 8,000 miles, preached 395 times, held 15 meetings and assisted in another, and raised nearly \$1,200.00.

We would urge upon our brethren the importance and imperative need of early collections for Domestic Missions as the Board is dependant upon the year's collections to pay the missionaries their salaries. Delayed collections mean suffering to our faithful men on these mission charges.

Let us see to it that our people are supplied with missionary literature in abundance. That they subscribe to and read "Go Forward," which gives the latest information from the field, and so keep in touch with the advanced missionary movement which is thrilling the life of the world.

All loans upon real estate to be secured by first mortgage and when there are buildings on property, fire insurance policies for full three-fourths value are to be carried and made payable to said Trustees.

REPORT OF EDITOR OF CONFERENCE MINUTES.

I herewith present my report as Editor of the Conference Minutes, showing amount received from various sources \$230.94; amount paid out \$204.17, leaving a balance on hand of \$26.77.

Vouchers accompany the report. One thousand five hundred copies of the Minutes were printed this year, at an expense of \$181.22 for printing alone. The Joint Board appropriated \$170.00 towards this amount, which was supplemented by advertisements and a donation of \$5.00 towards the postage. With the balance on hand and at least the same amount from the Joint Board we may print them another year.

By resolution of Conference some years ago, the Conference Secretary was appointed editor and publisher of the Minutes. The work has so increased that it is now more than one man can properly attend to.

I ask therefore that the Conference appoint Chas. H. Summers with me, as editor in chief, as he has charge of the Conference Statistics, which should properly be under his supervision in the publication of the Minutes, while I will be his assistant in the other part of the work.

ANNUAL REPORT OF THE BOARD OF EDUCATION OF THE FLORIDA CONFERENCE, SESSION OF 1909.

To the Bishop and Members of the Florida Annual Conference in Session at Lakeland, Fla., Dec. 15, 1909:

Dear Brethren: We beg leave to submit the following report for the present year's educational work.

We feel encouraged by the evidences of continued activity and general prosperity in our schools of all grades throughout the connection. We believe that in the main our institutions are in able hands, and that the leaders of our educational forces are earnestly trying to subserve the best interests of the church and its youth.

· We lay it down as our firm conviction that a properly conducted and rightly safeguarded church school is entitled to the loyal support and financial backing of the church to which it belongs. But, on the other hand, it is equally incumbent upon the school to be just as loyal to the church. The church is vitally interested in the character and qualifications of the men who direct the affairs and control the interests of its schools, and whenever it is discovered, in any given case, that men are not acting in good faith towards the Church in matters relating to the school, either as trustees or faculty, the church should promptly claim and exercise the right to vacate the holdings of such officials or teachers and appoint others in their places who will be more faithful to their trusts, expressed or implied. The teachings and spirit that these men exemplify should at all times be in harmony with the beliefs and theories of the church, and no man or set of men has the right to follow the vagaries of his own mind, or subserve his own personal interests at the expense of the vital interests of the church. He stands in his place as the exponent of the doctrines and policy of the Church, and whenever he forgets this, be his station never so exalted, and his attainments and abilities never so great, he should be promptly removed. We are unalterably opposed to any and all attempts, open or covert, to secularize any of our educational institutions, be the motives for such attempts what they may.

We hold, further, that ownership of school property implies control of said property, and that so long as the former exists the latter should never be surrendered.

We therefore call upon our delegates to the General Conference of 1910 to maintain by all honorable means and to the utmost of their power as occasion may demand and opportunity permit the principles heretofore set forth in this report.

This Board heartily endorses the Educational Extension Foundation movement inaugurated by the General Board of Education, and will do all in its power to aid the cause it represents.

The General Board reports that there are 2,016 professors and teachers, 22,627 students in our institutions, an increase of 62 professors and teachers and a decrease of 1,056 students. Vanderbilt has 959 students, 115 of whom are studying for the ministry. It has four students from this State. It reports the largest patronage in its history.

Emory College reports 271 students for the term ending June 9, 1909. It also had the most prosperous year of its history. There will probably be 300 students at the spring term. The President of Emory, Dr. Dickey, reports that the campaign projected in July, 1908 to raise \$300,000, in addition to the \$200,000 already in hand, has resulted under his leadership in the raising from various sources of \$250,000 in pledges as an endowment of half a million dollars for this great college.

Southern College reports 19 professors and teachers and 216 students during this current year. Thirty-one diplomas and certificates were issued during the year. It is in a most gratifying condition. Its summer school held a very successful term.' We especially emphasize the fact that this school, the child of our love, belongs both by charter and by deed, absolutely in fee simple to this Conference, and is, therefore, entirely under its control. We entertain the utmost confidence in the professional ability and personal integrity and loyalty to the Church of its president, its trustees, its faculty and of all who have the management of its affairs and interests. We rejoice that not only is the intellectual and wellbeing of the students looked after, but their spiritual interests as well, all but two or three of them having been converted in the recent revival meetings held by Brother Myers. We most heartily commend it to the patronage and financial support of our people.

We recommend the following appointments to be made by the Bishop:

Rev. J. P. Hilburn to be president of Southern College; Rev. I. C. Jenkins to be Vice-President of and professor of English in said institution. Also, Prof. Nestor J. Castellano to be professor of Spanish in the same, and Prof. I. C. Jenkins to be Secretary of Education.

We fix the assessment for education for next year at \$3,585, which, with the \$915 assessed by the General Board, makes a total of \$4,500.

We recommend, for the sake of better ministerial education, that all members of the Conference, especially the younger brethren, study the topics to be discussed at the Florida Preachers' Institutes, and, as far as possible, attend at least one of its sessions. in July next.

The following apportionments are made for the year 1910:

We add the following items for Wesleyan Female College, not having had a report from this College before our report was completed: Wesleyan had 405 students last year. A campaign has been launched to raise \$100,000 for immediate necessities, and \$200,000 more within the next five years. Of this amount the

city of Macon alone has subscribed \$36,000, with prospects of bringing its subscription up to \$50,000 before long. The president of this College, Dr. Ainsworth, also reports the most prosperous year in its history.

Respectfully submitted,

DISTRICT CONFERENCE RECORDS.

We, the Committee appointed to examine the District Conference Records, submit the following report:

The records of all our Districts—Tallahassee, Jacksonville, Ocala, Miami and Bartow—have been examined, and we find them very neatly kept and apparently in proper form.

In the Tampa and Miami District Records we find some of the reports have been clipped from newspapers or printed minutes and pasted in the books.

In the judgment of your Committee this is not a satisfactory plan of entering records and we would discourage such methods.

REPORT OF THE BOARD OF TRUSTEES OF SOUTHERN COLLEGE TO THE ANNUAL CONFERENCE IN SESSION AT LAKELAND, DEC. 15, 1909.

Dear Bishop and Brethren:

In coming to you with this our eighth annual report, we recognize how impossible it is to convey to you in this brief way any adequate conception of the management and work of your College at Sutherland.

The institution has been wisely managed from the beginning but the superior executive ability of Dr. Hilburn is manifest in the school being able to pay its running expenses through a time of great financial depression coupled with a high cost of living. In securing a greater number of pupils than last year and from a larger number of localities in Florida. In getting an increased

proportional attendance of young men. In having a nearer approach to ideal home conditions in the dormitories and in a decidedly more religious atmosphere throughout the institution. Another feature is the almost universal desire on the part of pupils to be found on the honor roll.

Notwithstanding our limited means in the improvement fund we have been enabled to fit up suitable rooms in the basement of the Administration Building for the use of the Science Department and also to purchase a fine selection of apparatus to assist in scientific experiments, in which we were aided by a donation from the General Board of Education. The change in the location of the Science Department has made it possible to rearrange the class rooms so as to greatly facilitate the work of the Preparatory and Academic Department which is composed of four teachers under the oversight of Professor Kinsinger as Principal and the work done is equal to the best in any high school in the State and in every way there is a general improvement over any previous year in the school's history.

New sills have been placed under most all of both the Dormitory Buildings and new bath rooms, which are connected with the first and second floors of the boys' dormitory, including all modern fixtures and conveniences and now that they are installed it seems impossible that we could have gotten along without them so long.

Then last, but not least, in the way of improvements we have in process of erection a gymnasium building planned by a competent architect. This building is to be two stories high, 60 by 80 feet and to be built of stone manufactured on the ground. The lower floor will contain two society halls with bath and other conveniences and the upper floor a large hall for athletic purposes.

The response to the appeal of the Conference for an Endowment and Improvement Fund has not been as prompt as the importance of the object aimed at would seem to call for. Some pastoral charges have shown a commendable loyalty, whilst others have done practically nothing. But the results so far have fallen a long ways below what the Conference decided to raise.

Certain amounts have been realized this year on subscriptions previously taken aggregating about \$1,000.00 and the amount which will be reported to the Conference we have not been able to gather.

At the Bartow District Conference four scholarships were provided for of \$150.00 each and one at the Tampa District

Conference and besides that Rev. J. B. Culpepper and his son, Furke, have provided another to be known as the Culpepper Scholarship.

These scholarships are to constitute a perpetual loan fund to aid young men in preparing for the ministry.

Our curriculum is a little above the requirement for a college of B Grade and we are doing strictly college work.

The institution is worthy of a place in your heart's affection. It is worthy of your hearty and loyal support and of the liberal patronage which it has had from the beginning and with these three things there is a continuously increasing field of usefulness before us.

S. W. LAWLER, President. D. A. COLE, Secretary.

REPORT OF COMMITTEE ON TEMEPRANCE.

To the Bishop and Brethren, Florida Annual Conference:

Your Committee enters upon the consideration of this subject with a deep and profound sense of its vast and inestimable importance. A subject that is agitating this great country from centre to circumference, and which involves the destiny and future welfare of thousands of the youth of our land, and in a great measure affects the progress of the Church of Jesus Christ itself.

Especially in view of the fact that our own State is in the near future, before this body shall again convene, to vote upon the constitutional amendment providing for state-wide prohibition submitted by the last Legislature, we recognize the fact that the fight is on, the lines are drawn, and we stand ready to meet the issue, and as a Church we would give forth no uncertain or ambiguous utterance as to the position we occupy.

We are profoundly grateful to God for the victories that havealready been won, that men are awakening to the awful nature of the traffic in intoxicating liquors, and that in consequence of this awakening, precinct by precinct, county by county, they are driving out the licensed saloon. We are thankful to Him that He is raising up such men from among our laymen as Hilburn, McMullen, Hudson and others, as well as laymen from other folds, to lead our forces in this fight, to stand shoulder to shoulder with us in this conflict, and we would cordially commend their work and pledge to tehm our earnest co-operation.

We would therefore give expression to and request the passage of the following resolutions:

1st. Resolved, That the Methodist Episcopal Church, South, by action of its General Conference is committed to the cause of Prohibition.

2d. Resolved, That we as a Conference are committed to the same great cause and to the passage of the Constitutional amendment providing for state-wide prohibition in the State of Florida.

3d. Resolved, That we regard the subject of prohibition as in no sense a political question, but a great moral and religious issue, and we will not allow ourselves to be led into making it a political question.

4th. Resolved, That as a Conference we desire to express our appreciation and approval of the work of the Woman's Christian Temperance Union and of the Anti-Saloon League of the State of Florida, and pledge them our support. And finally, we would most earnestly, in the name of the Church, of God, and of the highest interest of humanity, appeal to every Christian voter of our own and other churches throughout the State to work for state-wide prohibition and to deposit his ballot in favor of the same.

Respectfully submitted,

J. B. MITCHELL, Chairman. A. L. WOODWARD, Secretary.

REPORT OF COMMITTEE ON AMERICAN BIBLE SOCIETY—NO. 1.

The work of the American Bible Society in circulating the Word of God among the destitute and needy of our own and of the other lands to the extent of more than 500,000 copies annually, is not accomplished by any other agency nor can we over-estimate its great importance. We cannot forget that the labors of this great concern is one of entire usefulness that without money—except of those who are able to buy, and without price except to the actual cost of production, it supplies the Scriptures of revelation wherever it may find hungry souls of men.

We believe it to be one of the fundamental agencies in the evangelization of the world. We are now aware that it circulates the Bible in thirty different languages within the boundaries of the Southern States; we are also informed that for every sixty dolars that our section contributes toward the circulation the

Bible House pays back to us this amount and forty dollars additional, or they do for us 40 per cent more than we do for them.

We feel, therefore, that we for no reason can afford to neglect or fail to show our gratitude, substantially, toward such an unshelfish friend; accordingly we recommend as follows:

- 1. A colporteur for the American Bible Society, within the bounds of the Florida Annual Conference of our Church and especially among the Latin population in our boarders.
- 2. That this Conference appropriate all monies raised for the Society, in the years 1909-1910, the same to be forwarded as soon as possible by our Conference Treasurer, to the proper authorities, in order that their funds may be used at once to help augment the Societies' resources by the Mrs. Russell Sage fund.
- 3. That the Presiding Elder of the seevral districts of our Conference, be requested to urge our pastors and stewards to raise an amount in each charge at least equal to one per cent of the amount assessed for the pastor's salary.
- 4. That we will be careful to remember that all communications relating to any and all phases of the work of the American Bible Society be sent to Dr. M. D. Porter, 208 N. 8th St., Richmond, Va.

F. M. C. EADS, for the Committee.

SUNDAY SCHOOL BOARD-NO. 2.

Whereas, there is an evident and crying need for improved methods in Sunday School work, and the organization of schools in every place possible, necessitating a man in the field who shall give his entire time to the work, therefore be it

Resolved. 1. That we recommend that a Sunday School Secretary be appointed by the Bishop to labor under the direction of the Sunday School oBard. It shall be the duty of said agent to organize Sunday Schools, conduct institutes, and in every other way possible to build up the Sunday School work.

- 2d. That in order to enable the Board to pay the salary of said agent, the Conference direct the Board of Missions to add 10 per cent to their assessment for Home Missions which 10 per cent shall be turned over to the Sunday School oBard, and that our Conference Treasurer be instructed to remit 10 per cent of the amounts collected during the quarter for Home Missions to the Treasurer of the Sunday School Board.
- 3d. That we recommend that the Bishop appoint C. W.. White as Sunday School Agent and Colporteur.

4th. That we recommend that Easter be observed in all our Sunday Schools as Florida Day and that the collections on said day be remitted by the pastor to our Conference Treasurer, who shall remit same to the Treasurer of the Sunday School Board.

SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance,, submit the following for your consideration:

First—That the law enunciated from Sinai's Heights has never been repealed; it is, therefore in effect and obligatory upon all, both in strictly observing the law ourselves and in influencing others to a like observance.

In order to more effectually accomplish this end, we recommend that each pastor preach at least once during the year to each organization in his charge, on Sabbath Observance. That he mention the laxity peculiar in this respect, to his congregations, and cry out against encroaching upon God's Holy Day, either for secular engagements or social enjoyments.

Next—That a sentiment be created in each charge which shall be wholesome along this line. Inasmuch as the homes of our people are places where a large amount of sentiment is engendered, we recommend therefore, that we begin there.

As to how to further create this sentiment, we leave each pastor to determine.

We heartily endorse the Sunday League of America and earnestly ask the co-operation of each pastor and layman in that movement. as an earnest of their attempt they are asking by public meetings and by literature in English and Spanish to educate sentiment and conscience; to reduce Sunday toil to the minimum of necessity and mercy; and to drive out Sunday amusements, and make Sunday a day of genuine rest, quiet and thought. It asks for the result on grounds of humanity, patriotism and religion.

We therefore bespeak for the League the earnest support of each pastor during the coming year.

Respectfully submitted,

J. T. MITCHELL, President. F. L. GLENNEN, Secretary.

Resolved, That we memoralize the General Conference to empower the Conference Sunday School Board to make an assessment upon the Church for this work.

> U. S. TABOR. J. P. HILBURN.

Whereas, The "Vanderbilt Commission" appointed by the General Conference of 1906, affirmed, after due consideration, the ownership and right of control by the M. E. Church, South, of Vanderbilt University, and the rights of the bishops as "common law visitors;" and

Whomas, The decision of said Commission does not seem to wave served the question at issue so completely as is desired; .nd,

We, the Florida Annual Conference, do hereby memoralize the General Conference of 1910 to take such conclusive action as will fully and forever assure to the Church ownership and control of the University, with all rights accorded to the Church and the bishops by the University charter and the findings of the Vanderbilt Commission; and to make effective, by such legislation as may be necessary, the law of the Church and the findings of said Commission as to the appointment of the University Board of Trust.

W. J. CARPENTER, U. S. TABOR, J. B. LEY. Resolved, That while our Conference is doing Christian educational work and are trying therein to meet the demands that are upon us; it is the sense of this Conference that pastors should not employ preachers or evangelists to hold meetings in our churches who are supporting independent institutions by recommending or contributing funds to such institutions, and that preachers giving support to such institutions are in so far, violating their obligations to our church.
